With refce to the above enquiry states
that the articles supplied from the Depot
are generally cheaper, and that when a
percentage of cost of the establishment
engaged in making such supply is taken
into account, the cost will necessarily
be more; besides its entailing additional

OFFICE OF THE DIRECTOR OF
INDUSTRIES & COMMERCE IN MYSORE,

Bangalore, 16th March.....1918.

FROM

V. RANGASWAMY IYENGAR, Esq., B.C.E.,

Offg. Director of Industries and Commerce in Mysore,

"Bedford House," High Ground, Bangalore.

To

The Secretary to Government,

Departments of Education and Agriculture,

B A N G A L O R E .

SIR,

I have the honour to state that the articles of stationery required for the use of the several Industrial Concerns under the management of the Department were hitherto obtained from the Stationery Depot and supplied. The Depot is not able to supply all the articles and the quantities necessarily required by these concerns, and the Comptroller objects to the purchase of such articles without sanction of Government. In order to avoid such inconveniences, I propose to authorise the Industrial Concerns such as Weaving Factory, Central Industrial Workshops, Central Industrial Stores, Soap Factory, Button Factory, Metal Factory, &c., to purchase their own stationery as these concerns are expected to work on commercial lines and to confine the free supply of Government stationery only to my office and the subordinate officers and offices. I request early sanction of Government for the same.

I have the honour to be,

Sir,

your most obedient servant,

V. Rangaswamy Iyengar
